About the TGM Dental

Grown up as well-trained staff from the **East Meets West Dental** (established in March 1996 in Da Nang, Vietnam by Dr. Charles F. Craft, an American dentist from Alaska, the US), **TGM Dental Team** has an ambition to open a spin-off clinic to bring the high standards of quality dental care to the local communities and foreigners residing in Hoi An, Quang Nam. Giving a part of our annual revenues to the poor communities and especially the disadvantaged children is also our commitment and mission.

At the **TGM Dental**, we take pride in delivering comprehensive dental treatment in a safe and friendly manner. We offered a team of dedicated professionals who utilize modern and advanced dental equipment, clinic facilities and materials while adhering to the highest Western standards of quality dental care, infection control and hygiene. Our staff at the reception, dental nurses and dentists can communicate well in English and Vietnamese. They are qualified to understand and meet all dental health care need of your family, friends and your staff.

TGM Dental commits to upgrade our services everyday to bring the best quality dental care and satisfaction to all clients.

By using our services, you support TGM Dental and East Meets West Dental in bringing healthy smiles to thousands of disadvantaged children in Vietnam!

(*) What clients talk about us:

"TGM Dental Team did a great job on my teeth. I had a root canal and crown, four fillings and an extraction. No pain, no bleeding. Very attentive to detailed, and respectful of pain care etc. I would recommend their services".

Trevor Thomas, Australia

"My first dental experience in Vietnam at TGM Dental - very impressed with a professional and very highly competent team. In addition, a warm welcome and a friendly service. I look forward to returning to have the complete work on a crown".

Andrew Board, UK

"Fantastic service! Good chair side manner, spoke English, friendly. All procedures was explained clearly and sterile practices adhered to. Very happy with the dental work carried out. I will be returning! Very reasonably priced. All staff are excellent and friendly".

Robyn Judson, Australia
